

Early Spring Offer

Pest Control & Home Sanitizing
Service from

R995
inclusive*

It's starting to get warmer and the bugs are starting to come out again.

Get your home treated for ants, spiders, cockroaches and other bugs today. Book this offer and get a free home sanitizing service included.

What do I get?

- We treat the home interior and exterior perimeter with a residual pest control spray which covers all general household pests.
- We sanitize your home using a cold fog ULV sprayer.
- We apply a roach gel to kitchen cupboard hinges, behind / under appliances.

**ECO
FRIENDLY
SOLUTIONS**
